In re Application of :  
Berglow et al. :  
Application No. 10/770,513 : DECISION ON PETITION  
Filed: 4 February, 2004 :  
Atty Docket No. 024445-448 :

This is a decision on the petition filed on 26 October, 2005, under 37 CFR 1.137(b),<sup>1</sup> to revive the above-identified application.

The petition is **GRANTED**.

<sup>1</sup> Effective December 1, 1997, the provisions of 37 CFR 1.137(b) now provide that where the delay in reply was unintentional, a petition may be filed to revive an abandoned application or a lapsed patent pursuant to 37 CFR 1.137(b). A grantable petition filed under the provisions of 37 CFR 1.137(b) must be accompanied by:

(1) the required reply, unless previously filed. In a nonprovisional application abandoned for failure to prosecute, the required reply may be met by the filing of a continuing application. In a nonprovisional utility or plant application filed on or after June 8, 1995, and abandoned for failure to prosecute, the required reply may also be met by the filing of a request for continuing examination in compliance with § 1.114. In an application or patent, abandoned or lapsed for failure to pay the issue fee or any portion thereof, the required reply must be the payment of the issue fee or any outstanding balance thereof. In an application, abandoned for failure to pay the publication fee, the required reply must include payment of the publication fee.

(2) the petition fee as set forth in 37 CFR 1.17(m);

(3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional; and

(4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required pursuant to 37 CFR 1.137(c)).

The application became abandoned on 11 September, 2005, for failure to timely pay the issue and publication fees as required by the Notice of Allowance and Issue Fee Due mailed on 10 June, 2005. The filing of the present petition precedes the mailing of Notice of Abandonment.

The change of correspondence address filed on 26 October, 2005, cannot be accepted because it was not signed by an attorney of record.<sup>2</sup> There is no indication that petitioner herein was ever empowered to prosecute the instant application. If petitioner desires to receive future correspondence regarding this application, the appropriate power of attorney documentation must be mailed. A courtesy copy of this decision will be mailed to petitioner. However, all future correspondence will be directed to the address of record until such time as appropriate instructions are received to the contrary.

This application is being referred to the Publishing Division for processing into a patent.

Telephone inquiries concerning this matter may be directed to the undersigned at (571)272-3231.
